Shortage File

MEMORANDUM FOR: Mr. [redacted] 25X1A9a

SUBJECT : Shortage of $1,000 at [redacted] Station for Project [redacted] 25X1A6a 25X1A2d1

1. You are requested to appear at a meeting of the CIA Board of Review on 12 August at 2:00 P.M. in Room 1041 Alcott Hall, for a hearing on subject shortage. You will be given an opportunity to state your version of subject shortage.

2. The following background data is furnished for your information. The shortage of $1,000 on the February 1952 [redacted] Station accounting in regard to Project [redacted] with which you were connected, was considered by the Board of Review in May 1956 for a write off. The Board recommended in Case #74 that Mr. [redacted] be held accountable and the Assistant Deputy Director (Support) approved that action on 25 June 1956. The appeal of the Far East Division was considered in January 1958 by the Board of Review as Case #122. The Board concluded that the shortage should be carried in suspense until the Board could hear both Mr. [redacted] and yourself. Our recommendation for suspension was approved by the Assistant Deputy Director (Support) on 30 January 1958. After testimony by Mr. [redacted] and yourself, the Board will make a recommendation to Deputy Director (Support) on the appeal for write off. 25X1A6a 25X1A2d1 25X1A9a 25X1A9a 25X1A9a 25X1A9a
